Re: 11 Civ 5340
Subject: Judicial Notice

Dear Judge Koeltl,

I've attached a copy of defendant-removant Dolphin Services with respect to the issue of this defendant claiming its principal place of business is at the home residence of its owner in Stamford, Ct.

I request the Court take judicial notice that the business card of defendant, annexed hereto, clearly demonstrates that Dolphin misled the Court on this issue, regardless of the relevance in Court proceedings. It shows that Dolphin has a proclivity to making bogus claims and goes to the credibility of said defendant.

I also note that the defendants recently attempted to serve an Amended Answer on 9/8/2011, by mail on the undersigned more than 20 days after the original Answer was served on 8/5/2011, which was also purportedly filed electronically on August 19th, 2011. The Amended Answer was appropriately rejected.

Sincerely,

 Chuck Jones
